

Wife, Gas, Scare Man In Dead of Night

"Overcome by stomach gas in the dead of night, I scared my husband badly. He got Adlerika and it ended the gas," Mrs. M. Owen.

Adlerika relieves stomach gas in TEN minutes. Acts on BOTH upper and lower bowels, removing all poisonous waste you never knew was there. Don't fool with medicine which cleans only PART of bowels, but let Adlerika give stomach and bowels a REAL cleaning and get rid of all gas. Dolley Drug Company, Lomita. Dolley Company—Adv.

EVENING HIGH CLASSES FOR MEN, WOMEN

Three activities at the Torrance

Evening High school, sponsored by the Men's Bible class which meets at the Torrance theater every Sunday morning, are a men's chorus, gym class for men and orchestra, according to Principal Guy L. Mowry.

The chorus practices Monday evenings and is open to any men who like to sing; the gym class is held Tuesday evenings for older

men only, and on Wednesday evenings, Mr. Hadler conducts orchestra practice.

Mowry said there is a gym class for women on Tuesday evenings. Tennis playing on the illuminated courts will count as attendance toward that class. The principal stated that he would be glad to cooperate with any group in the city which would like to form a tennis group.

MINNY FISHING?

GERBER.—Trout fishing in corner lot pools will soon replace the miniature golf fad, says R. B. Trislet of Gerber. The pools will be stocked with genuine trout, and nimrods in evening clothes may angle at so much per fish, he says.

Publishers Sail For Honolulu

—United Press Photo

NEARLY 100 members of the California Press Association sailed Wednesday from San Francisco for a fortnight tour of Honolulu and adjacent islands. Pictured above, left to right, are: Justus Cramer, Orange, Calif. News; W. N. Burkhardt, San Francisco News; Angelo Rossi, mayor of San Francisco, who greeted the departing newspapermen; former Gov. Friend Richardson; Louis Meyer, Oakland Leader and Pittsburg Post; Harry Lutgens, San Rafael Independent.

ELEMENTARY School Notes

The Art classes under the direction of Mrs. Mabel-Ella Sweet, colored May baskets for the children in the nutrition classes. Many of the rooms made colorful and gay baskets, showing very original designs.

Miss Margaret Hannan, school clerk, has inaugurated a system of daily bulletins for each home room. These are put into the boxes of the faculty in lieu of the announcements which formerly passed from room to room.

Miss Laura Thomas accompanied a group of young people from Lomita to a district Christian Endeavor convention held at Hollywood during the past week-end.

The fifth and sixth grade boys of the playground group played baseball with the team from the Harbor City school Monday after school.

Paul Kasper, Billy Keefe and Louis Madore represented the Elementary school at the district meet to try out for the Junior Olympics at Banning High school in Wilmington Saturday morning. They took part in five events each, the basketball throw for goal, the baseball throw for distance, standing broad jump, chinning and 75-yard dash. Billy made 276 points; Louis, 244, and Paul 242. The boys went in company with Coach Earl Fields of the High school. All of the schools in the Harbor District were represented. These three boys won the right to go to the district meet in a test held under the supervision of Coach Fields and Miss Alice Carothers of this school.

Now is a good time to enter the English classes, held from 7 to 8 and 8 to 9 Mondays and Wednesdays as the classes are taking up the art of writing business letters and are studying correct speech, according to Mowry this week.
